Preamble to the City of Tucson Charter

We, the people of the City of Tucson, under the authority granted by the Constitution of the State of Arizona, establish this Charter as the fundamental law of the City in order to protect and enhance the health, safety, education and general welfare of the people; to enable municipal government to meet the needs of the people effectively and efficiently; to improve the quality of life for the City's residents, businesses and visitors; to support cooperation with regional jurisdictions and our international neighbors; to encourage fair and equal participation of all persons in the affairs of the City; to provide economic opportunities that allow all citizens to prosper; to provide for accountability and ethics in public service; to appreciate the power of diversity and unity; to protect the natural, scenic, historic and aesthetic qualities of the Sonoran Desert environment; and to promote the arts and the diverse cultures that contribute to the uniqueness of the City.
